

NHPA™ II “Movie Mix”

Recital 2017 Call Times & Schedule

Please note that the “Call Times” listed below for the Recital performances are the times that dancers need to arrive at North Shore Senior High School with their hair & makeup already done.

At Call Time, dancers need to report backstage in the dressing room area to find their class’s Backstage Mom and sitting area. Dancers will need to organize their costumes, get their things set up in the dressing rooms, put their first costume on, then prepare for their Teachers to rehearse with them on stage. ***ALL FINALE dancers need to quickly drop their belongings in their dressing area and report to the stage immediately for FINALE rehearsal.

If dancers wear their first costume to the theater PLEASE make sure they wear a cover up.
Please do not be late for your Call Times.
