

NHPA™ “Movie Mix”

Recital Call Times & Schedule

Please note that the “Call Times” listed below for the Recital Performances are the times that dancers need to arrive at College Park H.S. with their hair & make-up done (PLEASE wear a coverup to & from the theater). Dancers will need to check in with their class designated Backstage Mom, organize their costumes, get their things set up in the dressing rooms, then meet on stage for FINALE rehearsal, or wait for their Teacher to come get them to practice on stage. *Please be sure to let your child’s Backstage Mom know if you or someone else will be picking up your dancer after the performance. Make sure all costumes, tights, shoes, bags, accessories are labeled with your child’s name. Also make sure to send water & non-messy snacks with your child, as well as a small blanket or mat to sit on.

Remember that all dancers in (5-6yrs) classes and older are to remain in the Dressing Room/Backstage area for the duration of the show. We will have an Awards presentation with ALL dancers on stage following the performance, and then you can pick up your child in the Dressing Room afterwards. Only girls will be allowed in the Dressing Room area, boys are to report backstage in the blackbox theater room.

FINALE Call Times are especially important so that the dancers can run through the full production elements on stage. **Please do not be late for your Call Times.**
